

THE HANSELMINUTES PODCAST

Fresh Tech Talk from Fresh Faces

3d Printers work everywhere with OctoEverywhere and Quinn Damer

Show #845 Jun 16 2022 Podcast Player with Transcript [Help edit or fix transcripts here!](#)

Quinn saw a problem and connected a community. Folks like Gina have made our 3D Printers wireless, but OctoEverywhere means you can control them safely and securely from anywhere! How did Quinn make this service like to have a side hustle that helps tens of thousands?

ABOUT SCOTT

I'm a teacher. I speak all over to whoever will listen. I have written code that you've used for a decade and podcasting for about half that. I speak, code, write, empower, promote, in that order.
